

Gap Insurance Provider List

The following is a list of companies that provide short-term “Gap” medical insurance plans for individuals and family. These companies are not endorsed by the University of Houston but are provided for those employees needing medical coverage during the 90-day waiting period before the University’s medical program becomes effective. In addition, there are several internet services (such as eHealthInsurance.com) that will provide an extensive listing of short-term medical plans for your consideration.
