C. Use of University Facilities for Commercial Purposes:

The Office of the Vice President for Marketing and Communications is charged with oversight of policies and procedures concerning the use of university facilities for commercial purposes (movie shoot location, print and television advertising, etc.). If students are involved, waivers must be requested using a [Request for Alcohol Distribution Form](#), available in the Student Life/Student Centers Office (Student Center South, Suite 271). Other waivers may be requested, in writing, to the Senior Associate Vice President for Administration. authority over the space requested. In the event of two or more sponsors, all must sign the form.

- B. The [Acknowledgement of Sponsorship Obligations form](#) will not serve as a reservation of the space; nor will it serve to endorse the person or organization seeking sponsorship, their product/services, or their opinions; nor will it obligate or assign liability to the unit with assigned authority over the space, the university, or the UH System in any way.
- C. Developing these direct event costs and working with campus departments to prepare event estimates for a sponsored organization is the responsibility of the sponsoring department. Estimates for direct expenses will be provided, billed, and paid in advance of the event. The sponsored organization may be responsible for additional costs if damages or repair are needed following the event. Processing the facilities license agreement, receiving payment in advance for direct expenses, and ensuring advance payment is provided to UH departments is the responsibility of the sponsoring department. Event bookings in E&G spaces will not be confirmed for sponsored organizations by the Senior Associate Vice President for Administration until completion of these steps is confirmed in writing by the sponsoring department and departments providing event support services, such as Facilities/Construction Management, UHPD, and Parking and Transportation Services.

#### IX. FACILITIES USE AGREEMENTS

- A. Use of university space by a sponsored non-university group must be authorized by a written agreement. Such agreements are to provide for:
