One Time Allocation Request FY 2015

One Time Allocation Request for FY2015

Upgrade Sound Equipment – University Chapel

This request is for replacing rack mixer, 2 speakers, amp, wiring and mixer interface.

The current speakers/amps have been in place since 2001. Events with music playback and sound amplification are now experiencing sound distortion and popping. This greatly affects the quality of events that are hosted in the University Chapel by students, colleges & departments and non-UH customers.
