KICK OFF PEP RALLY / BLOCK PARTY W / RHA

Pairing with the Residence Halls Association (RHA), we will be kicking off the week with a celebration! From Houston themed activities and giveaways to a special guest to announce our 2017 Homecoming Court, it is sure to be a great time!

COLOR ME HOUSTON

Last year the Homecoming Board brought the Color Run to campus, and fused it with Red, White, and Blue, with the election going on the same night.

STRUT YOUR STUFF

Here's the chance for students to show off your school spirit! Spirit teams will compete by showcasing our theme through sketches, step shows, or performances.

ROLL BOUNCE

The Homecoming Board brought a roller rink into the Houston Room for students to have a good time. This also included airbrush shirts and free food students.

CAN-STRUCTION

A service based competition between spirit cup teams. Each team will be given time to make a sculpture out of canned goods that goes along with our theme! There will be a student voting portion as well as other service aspects. All canned goods will be donated to Manna House.

COURT AND SPIRIT CUP

Students are given the opportunity to participate in the annual Homecoming court, through an interview process and student voting. Culminating with the crowning of King and Queen at half-time of the game.

Organizations are also given the opportunity to compete in our annual Spirit Cup through 5 competitive events during the week of Homecoming.
