

**Coog Radio One Time Request**

**FY24**

*Coog Radio has been evolving since last year. We've updated our Constitution for the first time since 2018, instituted a 4-Branch system for members to get hands-on experience (in marketing, web, engineering, and programming), completely redesigned our website and branding, and have revamped our inventory (music and equipment both!) processes to make them both more detailed and more efficient.*

*Our officers started this year's work on May 1 and have been changing Coog Radio for the better ever since. We're incredibly proud of the work we've done so far, and we look forward to discussing our requests with SFAC and how we anticipate they will improve Coog Radio even further. If you have any questions regarding our One-Time Requests, I'd be more than happy to answer them for you during our presentation.*

**B. FY23 Additional One-Time Request - Web Team Travel Budget (SXSW)**

We'd like to request funding for traveling to SXSW in March 2023. Each attending contributor will receive \$15 per meal, with 3 meals per day, and money for gas and housing as well. South by Southwest is a music event which is specifically useful to Coog Radio members because it has conferences and networking events which could be especially beneficial to UH students.
