**FY24 Student Fees Advisory Committee (SFAC) One-Time Request (b)**

The Women and Gender Resource Center (WGRC) would like to request \$5,000 in one-time augmentation funding to the FY23 budget for the launch of an outreach initiative with the surrounding Third Ward community.

The WGRC believes in the Division of Student Affairs Strategic Goal to build and strengthen partnerships between UH and the community which surrounds us. For that reason, we want to extend our outreach programming into Third Ward through hosting a series of “Chew and Chats.” During these events, we would bring food to local community organizations and host a conversation around issues of gender equity, such as gender-based violence, gender roles, religiosity and its impact on gender socialization, and more.
