**FY24 Student Fees Advisory Committee (SFAC) One-Time Request (d)**

The Women and Gender Resource Center (WGRC) would like to request \$10,000 in one-time augmentation funding to the FY23 budget for expanded programming during Sexual Assault Awareness Month (SAAM) in April 2023.

SAAM has long been a signature program for the WGRC. For 2023, the WGRC would like to request additional funding to expand SAAM and provide a larger community/campus partner resource fair, offer a film screening, provide promotional products, and enhance marketing initiatives through campus signage. The WGRC is also anticipating a return to being fully staffed with a Gender Equity Education Program Manager and this will allow us to have the personnel resources to expand programs that have reduced in size since the impact of COVID and staffing changes.
