**FY24 Student Fees Advisory Committee (SFAC) One-Time Request (e)**

The Women and Gender Resource Center (WGRC) would like to request \$10,000 in one-time augmentation funding for expanded programming during Sexual Assault Month (SAAM) in April 2023.

SAAM has long been a signature program for the WGRC. For 2023, the WGRC would like to request additional funding to expand SAAM and provide a larger community/campus partner resource fair, offer a film screening, provide promotional products, and enhance marketing initiatives through campus signage. The WGRC would like to consider additional campus partners to collaborate on programming for SAAM, including UH Wellness, Counseling and Psychological Services, Center for Fraternity and Sorority Life, UH Veteran’s Services, and UH Athletics.

Through partnerships, the WGRC hopes to establish SAAM as a recognized event and time of year at UH, like the growth we have seen with The Red Zone programming. We hope that additional promotion of SAAM, made possible through funding, would also encourage additional community members to become trained COMPASS Sexual Misconduct Response Allies, and create a culture of support at UH that steps in to support and prevent sexual misconduct.
