WGRC 20TH ANNIVERSARY EVENT

The Women and Gender Resource Center is seeking funding for an event to celebrate our 20th anniversary in March 2024.

The Project: The WGRC is excitedly anticipating the 20th anniversary of the founding of the department. This special occasion is an opportunity to reflect on achievements, honor the contributions of individuals in WGRC history, build a sense of community, and showcase the department’s impact. The 20th anniversary celebration is not just about the department; it’s a chance for current and former staff, students and student leaders, collaborators, and community members to come together, fostering a sense of community and connection that our Division and our institution seeks to create in the spirit of student success. As we celebrate this anniversary, we are also setting the stage for the future, inspiring current and future team members and students with what can be achieved with dedication, innovation, and a commitment to excellence. Our 20th anniversary event is a meaningful occasion that allows the department and the Division to reflect on the past, celebrate the present, and inspire and strengthen the future.
