FY 2025 One Time Request #3 – A/V Productions & Lighting

FA is requesting \$72,625.90 to assist with the cost of necessary visual, audio, and lighting displays at the main stage throughout all three days of the event. Funding requested below is essential to the success of individual and event performances because it provides students, faculty, staff, and community members a guarantee to be heard and seen throughout Fiesta when performing. Performances that will occur on this stage include organizations' variety shows, student musical groups, and local and regional talent which add a continued entertainment component to Fiesta throughout the entire weekend. With SFAC's assistance, FA will be able to provide audio and lighting at The Main Stage throughout the event. Without this component, students won't be able to see or hear any of the performances taking place at the event. The funds from this request would allow the FA to provide more inclusive programming, allowing the performance of fellow students, as well as local and regional talent, to be seen, heard, and enjoyed by a larger number of students and community members.

The breakdown for Productions Audio & Visual funds is as follows:

| <u>Item</u> | <u>Cost</u> |
|---------------------|--------------------|
| Bud Light Stage A/V | \$29,150.00 |
| AV Techs | \$6,650.00 |
| Labor & Delivery | \$32,715.00 |
| Subtotal | \$68,515.00 |
| Admin Fee | \$4,110.90 |
| Total | \$72,625.90 |

The Fiesta Association would like to thank the Student Fees Advisory Committee for its consideration of this request.
