

# UH Exploratory Studies Advising Organizer

Successful students are prepared students! Before every advisor visit, print (or save electronically,) this Advising Organizer. Jot down questions, things you'd like your advisor to know, and things that you're worried about. Find some Conversation Starters for questions you have or things you'd like to share, along with open space to get your thoughts down.

## How's it going in your classes?

- Exam/quiz scores?
- Assignments & readings?
- Instructors?
- Feeling prepared?
- Managing time?
- Getting help?
- What else?

## How's it going outside of class?

- Living arrangements?
- Commuting?
- Work schedule?
- Family?
- Friends?
- Activities?
- Health
- What else?

## What are your next steps for your College Transition?

- Career goals
- Thoughts about major(s)?
- Prerequisites?
- Connections with target college?
- Alternate majors?
- What else?

## My notes:
